Q. My child is in the Prep School; will he/she be escorted from the bus to Walpole Road?

A. Yes. Pupils in years 4 and 5 **must** be accompanied by our Bus Monitors to and from the Prep School. Supervision for pupils in years 6, 7 and 8 is not compulsory, but parents can request this service when they make their seat application online.

Q. Can I buy a termly or annual ticket for one-way travel on routes in the green and blue pricing bands?

A. No. We do not offer one-way tickets. Ticket prices are fixed for each pricing band for the whole year based on full return usage of the bus, which includes the cost of travel, operation, and administration to provide the service.

Q. Can weekly boarders use any of the School Buses?

A. Yes. They can use any of the routes on a Weekly Boarders ticket for a Monday morning pick-up and a Friday evening drop-off.

Q. If my child does not use the bus for any reason, can I have a discount?

A. No. You are securing a seat on the bus for the duration of the ticket type you purchase, regardless of whether your child might not take the bus for any reason.

Q. If I buy a ticket and we decide to stop using the service, can I have a refund?

A. Yes. However, you must give **half a term's notice to cancel** either an annual or a termly ticket.

Q. Do the boarders buses [Clapham, Chichester, Tunbridge Wells/Frant, Clapham & Surrey] run as normal if the first and last days of term do not fall on a Monday or a Friday?

A. Yes. All boarders' buses will run their normal service regardless of which day term begins or ends; all weekly boarder tickets will be eligible on these days.
